St. Theresa Catholic School

"Faith, Ohana, and Quality Education"

*St. Theresa Catholic School is
a ministry providing Catholic
education to Kauai's youth.*

STS is looking forward to a
successful 2020-21 school year!

We humbly ask you to read
about the ways YOU can make a
lasting impact on our school,
our learners, and our island
community.....

Mahalo!

Endowment Fund

A matched investment in our future.

The STS Endowment Fund is managed by Augustine Educational Foundation. It is an investment account created solely to support the **longevity** of St. Theresa Catholic School.

All contributions to the STS Endowment Fund are matched by a generous donor each year. Our goal? Build the fund to \$500,000, then draw 10% per year to support professional development and tuition assistance. Spread the word! We can reach this goal!

STS makes a meaningful impact on Kauai. Rigorous academics and individualized instruction foster life-long learning. A faith based environment prepares learners to become responsible citizens of our world.

Two Ways to Give. Two Opportunities to Make a Lasting Difference.

"St. Theresa School is not just a School; it's a family. Life is just better when you are a part of it"

STS parent

STS serves the west Kauai community, with classes in Preschool through Eighth Grade.

We are proud to be a vibrant part of the Kekaha community since 1946.

Join us in continuing our legacy: An academic environment rooted in faith, ohana, and service.

Tuition Assistance Program (TAP)

Making a difference now.

The Tuition Assistance Program provides **immediate** assistance to families who struggle to attain a Catholic education for their children.

STS families apply to the TAP program to offset tuition fees. Families qualify for TAP based on financial need, service plan, and commitment to education at STS.

Bridging the Gap

2020-21 Tuition is \$6,292 (Preschool) and \$5,720.00 (TK-8th grade).

STS tuition does not cover the actual cost of education per child for the school.

Fundraisers are held to bridge the gap between tuition and actual cost. Keeping our enrollment steady, as well as ensuring that our families can afford their tuition, is critical to the success of our school.

Your gift will help make the dream of Catholic education a reality for local families.
