Welcome Back to a New School Year!

I hope everyone had a fun and happy summer, and that we are all ready to start a new year. The school has not been completely quiet during the summer. Summer school was a great success with different construction sets and experiments. The teachers and staff have been setting things up, getting ready to welcome the learners back.

We will continue to use the drive-thru drop-off in the mornings in the teacher parking lot. Please do not drop learners off behind the church or along the highway. Pick up is along the fence on Kaumualii Highway. Learners will walk to their cars. Preschool drop off and pick up is at the classroom door. Parents may park outside of the school fence west of the school and walk their preschoolers to the door.

Snacks for each day may be purchased outside the 7/8 classroom in the morning before school. The TK/K learners will be escorted upstairs by an 8th grader each morning at 7:45 a.m. if they wish to purchase something. Parents of other learners are invited to visit and see what learners are buying. **Snacks will not be available for purchase during the school day.**

Mahalo to the St. Catherine Church and School community for their generous donation of furniture, books and supplies to our school. Mahalo to Mrs. Hesapene, Mr. & Mrs. Chavez, Mrs. Cadiante, Uncle Larry, and Uncle Bill for donating their time and the use of their trucks to get everything back to STS.

Aloha Fridays

On Friday afternoons, as you arrive to pick up learners, we invite you to walk over to the school lanai at 2:20 to celebrate with the learners the accomplishments for the week. This is an opportunity to add to the positive reinforcement we provide to the learners.

Extended Daycare

We will have Extended Daycare for Preschool thru Kindergarten, and the Boys and Girls Club will be on campus for 12 and under.

Mahalo!
