Reading Buddies... Building Community- One Book at a Time

Our classes are partnering up for 45 minutes per week to read together. The experience is valuable, building not just reading skills- but a sense of togetherness and bonding. STS is a community and Reading Buddies is a great way to build that community from within.

STS CARNIVAL IN HONOR OF GORDON MATTOS

April 21 and 22, 2023

Carnival tickets are out, and the selling has begun! Each family sells \$400 in tickets and works to promote and carry out the event.

The carnival table at STREAM Night will provide information on booths and booth sign ups. Sign-ups will also be open on School Speak.

We are pulling out our old equipment and signage. Please let the office know if you are interested in taking something home to repaint and refresh! The biggest job? Our STS boat!

Celebrating Camille Hesapene 30 YEARS AT ST. THERESA SCHOOL

Camille Hesapene has been a cornerstone of St. Theresa School for 30 years. She began in 1992, hired as a secretary for the school as it rebuilt after Hurricane Iniki. As the years went by, she took on more responsibility, assisting with office management as principals transitioned. Camille used her community relations and extended family supporters to expand the annual school fundraiser food booth offering. She and her husband, David, are the heart behind the famous St. Theresa School kiawe chicken! Camille and David proudly sent all three of their children to STS and are now enjoying watching as their grandchildren attend.

DO ALL THINGS WITH
Love

To say that Camille Hesapene has been an employee of St. Theresa School for 30 years would be an understatement. Camille is an integral part of the foundation that makes our school special. She is willing to go above and beyond any job title, doing what is needed for the good of the school. She has a wealth of experience, using her knowledge of the past to propel St. Theresa School forward. She recognizes the value of each learner, staff member, and school parent. Camille is dynamic and open to change. She has a realistic view of our school and our community and is always open to new ideas and ways of keeping our school thriving.

Congratulations, Camille, on reaching this 30-year milestone. You are in the heart of this school. You have formed it, you have worked with it through ups and downs, you have poured endless love and time into it... and St. Theresa School is forever grateful to you.

Happy Anniversary to our most cherished office manager, business manager, carnival coordinator, fundraiser specialist, administrator counselor, recess and lunch monitor, caterer, and, above all, friend. We love you!
