Booth Sign Up Update

A quick update on the carnival booths: There are currently 10 families who have not yet signed up to work a booth. To ensure all booths are covered, these families have been assigned to specific booths. An email reminder will be sent to those families with their assigned booths. We sincerely appreciate the hard work and dedication of everyone who has volunteered so far. The carnival is our largest fundraiser of the year, and your contributions make it possible. Let's work together to make this a memorable and successful event for the whole school community!
