## Grades TK-2

Curriculum: STEM Enrichment (all grades) & Literacy Through Art

### Literacy Through Art

Students will experience an immersive program with hands-on application of key instructional concepts, all while learning about art history and artistic techniques!

## Grades 3-5

Curriculum: STEM Enrichment (all grades) & World Cultural Experience Atlas Program

### World Cultural Experience Atlas Program

Through immersive, hands-on STEAM activities, students are connected creatively and intellectually with communities and customs beyond their own experience.

## Grades 6-8

Curriculum: STEM Enrichment (all grades) & Core Stem Labs

### Core Stem Labs

KidSpark STEM Labs are equipped with a variety of reusable engineering materials that range from basic building blocks to programmable robotics. Materials are robust, easy to use, and are ideal for collaborative learning and invention.
